The FileStore Service Manual for models E01/E01s/E20/E20s/E40s/E60s has been updated. Corrections have been made to the original OCR and [v2 produced](#) ; the large [circuit diagrams joined](#) instead of being split over pages. The [PDF](#) has these images contained in the PDF and a linked contents and bookmarks have been added.

From [Chris Whytehead's site](#) the [Filestore Brochure APP150](#) and a list of [Econet Error Codes](#) have been added, along with the [Acorn FileStore Dealer Test Disk](#).
